## WORK EXPERIENCE

### John Lewis Aug 2021 – Dec 2021

- ❖ **Brand Experience Partner**
  - ❖ Proactively engaged with customers on the shop floor to provide exceptional customer service.
  - ❖ Helped to manage the store Experience Desk, which involved day to day tasks such as data administration and numerous order management via telephone and Microsoft office applications for customer styling appointments.
  - ❖ Worked in a fast-paced environment with a small team to help organise store events to generate additional store value.

### Marks and Spencer Aug 2017 – Dec 2017 | June 2018 – Aug 2019

- ❖ **Customer Assistant**
  - ❖ Used effective communication to attend to customers with specific queries
  - ❖ Engaged with over 10 diverse team members to complete tasks given by managers with intense time pressures, such as the stock replenishment of over 200 clothes daily worth a total of £3000 on average

### PwC (PricewaterhouseCoopers) June 2018 – Aug 2018

- ❖ **PwC Big Data Insight Week**
  - ❖ Attended meetings and presentations about the rise and integration of big data in financial services
  - ❖ Listened, synthesised, and responded to my team's wants and needs to ensure smooth and efficient team working
  - ❖ Presented a pitch for a new product to seniors at PwC in a 'Dragon's Den' event and placed first out of five other teams

## EXTRA-CURRICULAR, ACHIEVEMENTS AND PROJECTS

### eSports Academy Project September 2022 – Present

- ❖ Built an "eSports Academy" launch page using HTML and CSS
- ❖ Implemented use of Git and GitHub for version control
- ❖ Continuing to implement JavaScript functionality as well as support for mobile devices

### J.P. Morgan Markets Virtual Experience July 2021

- ❖ Prepared a prospective client profile and a hypothetical pitch, based on research carried out
- ❖ Analysed the current market environment to suggest an investment opportunity to a hypothetical client
- ❖ Built understanding of trade execution and the post trade cycle to deliver a client pitch about J.P. Morgan's post trade services to a hypothetical client

### J.P. Morgan Investment Banking Virtual Experience June 2021 – July 2021

- ❖ Practiced and reinforced understanding of screening potential M&A targets and the M&A process
